OmniSense™ Ultrasonic Sensor

We've gone ultrasonic! Scuba N1 Max's OmniSense™ technology offers quicker response times, superior adaptability, and obstacle detection from nearly 20 feet (6m) away, ensuring seamless, collision-free navigation.

WavePath™ 3.0 Navigation Technology

The Aiper Scuba N1 Max's WavePath™ 3.0 adapts to your pool's shape, ensuring minimal repetition and maximum coverage for efficient, thorough cleaning.

Underwater Communication Made Easy with HydroComm Pro/Pure

HydroComm Pro/Pure delivers real-time, cordless control beneath the surface—switch modes, monitor performance, and trigger one-click Smart Waterline-Parking. Simple, smart, and totally hassle-free.

WaveLine™ 2.0 Horizontal Waterline Cleaning

Thanks to its enhanced WaveLine™ 2.0 technology, the Scuba N1 Max cleans higher than previous models, effectively scrubbing the pool's waterline for a deeper, more complete clean—making pool maintenance easier than ever before.
